ORGANISATIONAL CHART

### 9. Student feedback mechanism on institutional Governance/faculty performance

At the end of each Semester, Department asks the students to fill the Feed-back form. It is being analysed by the concerned Head of the Department and if required matter is being brought to the notice of Principal for corrective measures.

### 10. Grievance redressal mechanism for faculty, staff and students

The faculty and staff are being governed by Punjab Civil Service Rules & the Managing Committee rules, whereas students are being governed by Punjab Technical University, Jalandhar. Apart from that, staff related issues are resolved by College Council. If need be, committee/committee(s) are constituted for resolving the issues of staff (referred therein). Similarly student related issues are settled by Principal Council of students. One staff Grievance Committee & Student Grievance Committee has also been constituted where staff and students can approach with their grievance. Committee suggests corrective measure to the Administration.
